

Missile Defence in Denmark

In this conference, two potential scenarios within Ballistic Missile Defence and Area Air Defence are used to focus on the possible strategic effects gained if Denmark chooses to acquire a capability within one or both areas of Missile Defence in the upcoming defence agreement.

Programme of the day:

9.00: Welcome by chairman John Dyrby Paulsen

9.05: NATO's expectations to Denmark

1. scenario: Ballistic Missile Defence (BMD) and NATO

9.35: Threats to NATO and Denmark - Pat McNelis

10.05: BMD capabilities - Peter Sønderkjøge-Hansen

10.20: What strategic effect will Denmark gain? - Lars Bangert Struwe

2. scenario: Area Air Defence (AAD) and Denmark

10.40: Danish Operations in the Baltic Sea - Ole Kværnø

11.10: AAD capabilities

11.25: What strategic effect will Denmark gain?

11.35: Q & A and panel discussion

Time: 2nd of June, 9am-12pm

Location: Svanemøllens Kaserne, building 118
